The
Dragonflies
are an
amazing
group of kids!

We love playing
and learning
together.

**Soon our
class will look
a bit
different. We
will have
some new
friends!**

Sadie

Isla

**Other friends are
moving to new schools
or new classrooms!**

**We'll have a new
teacher with Hannah,
too: Laneisha! We will
still see Fran too!**

**It's okay to feel
nervous, sad or scared
about changes in our
room. We can ask
Hannah or Laneisha for
a hug or a break!**

**When we miss each other, we can
draw a picture for them or ask for
a play date!**

**We are going to
have lots of fun
this year. We can
be happy about
that!**

We love our class!
